

Picton High School

Works notification

1 February 2021

Dear Neighbour,

We are writing to inform you of a change to construction activity for the upgrade to Picton High School to bring students and staff modern and innovative educational facilities.

Changes to weekend work hours

Weekend work hours will be changing in line with the NSW Environmental Planning and Assessment (COVID-19 Development – Construction Work Days) Order 2020. School Infrastructure NSW construction sites can now operate on weekends and public holidays during the COVID-19 pandemic. This is to allow workers to abide by social distancing rules while on construction sites by distributing building work across the entire week.

Hours of Work

Commencing Saturday 6 February 2021, weekend working hours will be extended.

Work will occur from 7:00am to 6:00pm on Saturdays and Sundays.

School Infrastructure NSW will ensure work is considerate of neighbours, with noise kept to a minimum where possible.

Traffic Management

Traffic control will be in place as required to manage pedestrian and vehicular movements near site access.

Thank you

The NSW Department of Education is committed to delivering new and upgraded schools for communities across NSW. Thank you for your cooperation during this important work.
