

Hillvue Public Preschool

Works notification | 6 August 2025

100 new public preschools

Work is underway to deliver a new public preschool at Hillvue Public School. The new public preschool will provide a safe and engaging environment for preschool children. It will feature specially designed rooms and a quality outdoor play area.

Site establishment works

Site establishment work for the new preschool will start from Tuesday 12 August, weather permitting. These works will include:

- Establishing a site exclusion zone with a temporary fence to isolate the work area from the school.
- Delivery and setup of site offices and amenities, safety equipment, contractor parking area, crane and pump set up zone and modular delivery laydown zone.

Access to the site will be managed via three gates (Gate 1, Gate 2, and Gate 3), as shown in the map on the next page, with Gate 3 designated for major deliveries and crane access.

Safety protocols will be in place throughout the site, including secure fencing and clearly marked entry points, on-site sign-in procedures for all personnel and visitors and clearly marked emergency equipment and evacuation points.

Working hours

To minimise disruption to school operations, noisy activities will be reduced as much as possible during school hours from 8:30 am to 3:15 pm.

Working hours will be 7 am to 5 pm Monday to Friday, and 7 am to 3 pm Saturday. No work will take place on Sundays or public holidays unless otherwise notified.
