from Queanbeyan West Public School | May 2023

To our community

We would like to thank you for your patience as we delivered a new multi-purpose hall at Queanbeyan West Public School. This hall will provide the school with a canteen, storage for out of school hours care facilities , and amenities.

Your support and cooperation have made it possible for us to deliver these new facilities for students and their families.

Wishing you all the best,

The School Infrastructure NSW Project Team and Queanbeyan West Public School
