Map of the school for Day 1 Term 1, 2019, including access arrangements

Day 1 Term 1, 2019

The first day of the 2019 school year will be exciting for the students, teachers and parents at Rainbow Street Public School. Our upgrade is almost complete with only some minor work remaining.

What to expect

All of our learning spaces and facilities will be ready and open for students for Day 1 Term 1, 2019.

Teachers will meet their students to guide them to their classrooms.

Enjoy your first day at your new school and the year ahead.

Remaining works

Some minor works will be completed in early 2019, with minimal disruption to school operations.

This includes the completion of landscaping and the construction of two play courts.

Air conditioning is being installed in learning spaces within the upgraded building during Term 1.

Construction vehicles will continue to use the Young Street entrance outside of drop off and pick up times. If arriving after 9.30am and picking up after 3.30pm, parents and students should use the Rainbow Street entrance.
