

Day 1
Term 1

Welcome

Example of a flexible learning space

new flexible teaching spaces
and facilities for up to
1,000 students

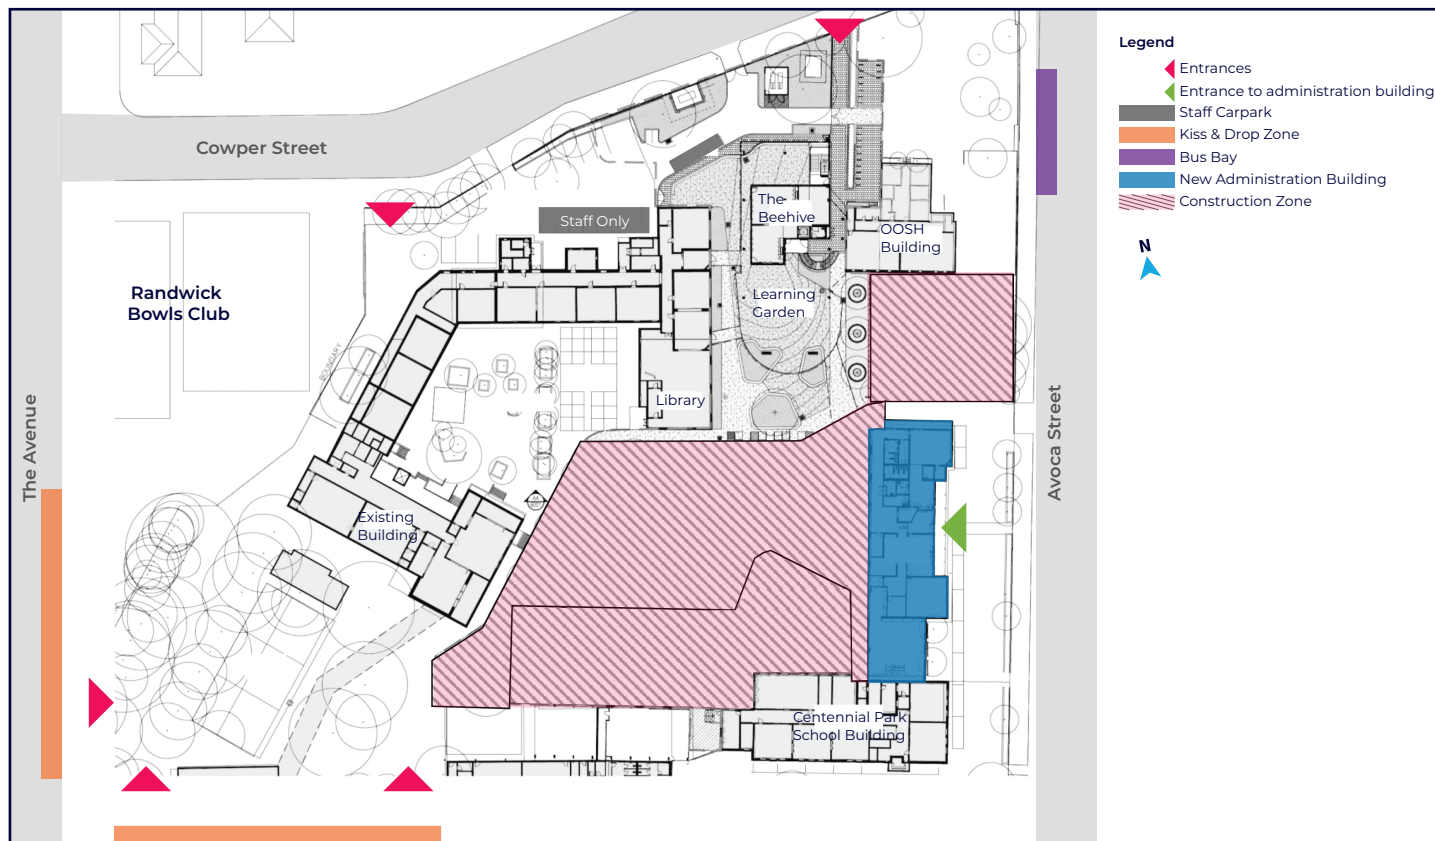

10
new learning spaces

refurbished staff and
administration areas

increased play space

Access to new school buildings for Term 1, 2019

Day 1 Term 1, 2019

The first day of the 2019 school year will be exciting for the students, teachers and parents at Randwick Public School. Our upgrade is almost complete with only some minor work remaining.

What to expect

All learning spaces and facilities will be ready and open for students for Day 1 Term 1, 2019. Teachers will meet their students to guide them to their classrooms.

Enjoy your first day at your new school and the year ahead.

Remaining works during Term 1, 2019

Some minor works will be completed in early 2019, with minimal disruption to school operations. Remaining works will include landscaping and the construction of new sports courts and play areas. These will connect the new and existing teaching and administration buildings, and also give us an expansive outdoor play area and a new covered outdoor learning area (COLA).

The school hall is also being upgraded and will be operational along with the rest of the school in early 2019. Air conditioning will be retrofitted in The Beehive and will be operational in early 2019.
