

Schofields Public School Complaints Register

Last updated 23 July 2020

This is a register of complaints received by School Infrastructure NSW about the Schofields Public School upgrade project post the approval of the State Significant Development Application (SSDA). A complaints register is a requirement for all SSDA projects.

Date of complaint	Date of response	Method of complaint	Nature of complaint	SINSW response	Complaint status	Is this complaint an emergency
23 April 2019	14 May	email	lack of shade and seating	SINSW to provide additional shade sail and investigate realignment of existing sails, extending covered walkways and options for additional seating	Closed	No
6 June 2019	11 July	Letter to local MP	Capacity	As additional school project become operational, the catchment boundary of Schofields Public School will be reduced, and enrolment pressures will ease at the school.	Closed	No
8 November 2019	22 November (to Minister's Office)	Letter to local MP	Capacity	Four extra demountable classrooms will be installed to accommodate the 2020 intake while the upgrade remains underway. When the new facilities are complete and while additional projects in the Schofields area are being implemented, it is expected a number of demountable classrooms will remain on site at Schofields Public School.	Closed	No
