

New Vocational Innovation Centre at Seven Hills High School

# Thank you

from Seven Hills High School | February 2024

## To our community

Thank you for your patience while we delivered the Vocational Education Training upgrade at Seven Hills High School. Construction is now complete and students and staff are now using their new facilities.

Your support and cooperation have made it possible for us to deliver these new facilities for students and their families.

Wishing you all the best,

**School Infrastructure NSW and Seven Hills High School.**

Drainage (pre-plumbing course) learning area

Vocational educational space

## New school

We're excited about the new facilities this project has delivered at Seven Hills High School. These include:

- 4 classrooms
- clinical lab with store
- shared workshop
- plumbing sandpit
- electrotechnology store
- plumbing store
- logistics store
- staff room and kitchenette
- cleaners store
- amenities.

Work has also recently finished on road works within the Johnson Avenue Road reserve.

Thank you for your patience during the upgrade of Seven Hills High School. We are thrilled to have delivered this project to the community.
