## Stanwell Park Public School

Project update | June 2022

### Investing in our schools

The NSW Government is investing \$7.9 billion over the next four years, continuing its program to deliver 215 new and upgraded schools to support communities across NSW. This is the largest investment in public education infrastructure in the history of NSW.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across NSW. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.

### Project overview

The new multipurpose hall at Stanwell Park Public School will deliver the latest facilities for students and include a canteen, out of school hours care facilities, and storage facilities.

### Progress summary

Construction of the new hall is progressing well. The contractor has installed cladding, internal wall linings and ceilings; completed initial painting, waterproofing, and tiling; and is progressing the electrical, communications, hydraulic and security fit out.

### Next steps

During the next few weeks, the contractor will complete:
