Tallawong Public School

Information pack | September 2023

Planning is continuing to deliver a new primary school at Tallawong to cater for the growing community. The permanent facilities will include:

New general learning spaces

Support units

Amenities

Modern core facilities including canteen, hall and library

Sports facilities

The new primary school will open in purpose-built, temporary facilities on Day 1, Term 1 2024 and will be located at Riverstone Public School. The temporary school will include:

Accommodate 150 students

Dedicated facilities

Operating Day 1
Term 1 2024

Tallawong Public School Statutory planning update

The State Significant Development (SSD) application for the permanent facilities will soon be placed on public exhibition for 28 days. During the exhibition period, you can submit your feedback on the project by using the 'Make a Submission' link on the project page at edu.nsw.link/Tallawong-NPS-Planning or by scanning the QR code.

Tallawong Public School temporary facilities update

Works to install temporary school facilities on the grounds of Riverstone Public School are continuing. As part of these works, the demountable buildings that will be fitted out to become the classrooms of the temporary facilities have now been delivered.

Over the coming weeks the buildings will be installed and connected to the existing services like electricity, internet, and water supply. Once the buildings are connected to these services, the works to build the covered walkways will begin. Works are expected to be completed in term 4 in preparation to welcome students for a day 1 term 1 2024.

Work hours are between 7 am to 5 pm Monday to Friday and 7 am to 1 pm Saturdays. No work will take place on Sundays.

Temporary schools are flexible, modular spaces that help schools to operate while the planning and construction of permanent facilities is underway. We are experienced in constructing temporary schools and ensuring, where possible, that the temporary school reflects what's important to the local community.

Online enrolment is now open

Enrolment is now open for Kindergarten to Year 6 students to begin their learning journey in 2024. You can access the enrolment page for the school by going to the school webpage at edu.nsw.link/EnrolTallawongPS or by scanning the QR code.

The intake area was developed in consultation with the Director Educational Leadership School Operational Readiness and the Ponds Principals Network. Visit schoolfinder.education.nsw.gov.au to view a map of the intake area.

Tallawong Public School Motto and Logo

Tallawong Public School's motto reflects the importance we place on the creation of a welcoming, supportive and collaborative culture across the school. It is based on the firm belief that when students, staff and families work together, the best possible outcomes are achieved.

The school logo has been designed in consultation with the local community and tells the story of Tallawong Public School. It represents that while we all come from different places, we meet together under the Dalawang tree to learn and grow together, gaining the skills and knowledge necessary to set us on our own path of success.

Further information about the significance of each element in the logo can be found on our school website.
