

Tamworth Public School

Term 2 holiday construction works

June 2020

Investing in our schools

The NSW Government is investing \$6.7 billion over four years to deliver more than 190 new and upgraded schools to support communities across NSW. In addition, a record \$1.3 billion is being spent on school maintenance over five years. This is the largest investment in public education infrastructure in the history of NSW.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across NSW. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.

Tamworth Public School

A project is underway to upgrade Tamworth Public School. The project will provide:

- seven new permanent classrooms
- a new hall
- repurposing of existing hall to provide staff facilities
- refurbishment of existing teaching spaces to provide three practical activities areas
- refurbishment of the former teacher's cottage (Block M).

Progress summary

Construction is progressing well and most buildings have reached internal fit-out stage.

Refurbishment of the teacher's cottage is complete and it is ready to be occupied.

The new communal hall building has been painted and joinery and office fit-out is continuing.

Term 2 holiday construction works

Works taking place over the Term 2 holiday period include:

- Internal fit-out for the teaching block will start and this includes joinery, painting and tiling.
- External concrete paving.
- Lift installation.

Frequently asked questions

What are the construction working hours?

Construction hours over the Term 2 school holidays will be Monday to Saturday from 7:00am to 5:00pm.

No work will take place on Sundays and Public Holidays.

What safety measures will be in place?

The health and safety of the community is our highest priority. All work will be undertaken in accordance with SafeWork NSW regulation. The site will be continually monitored during the break to ensure the equipment is safely stored and the site is secure.

Who can I contact if I have a concern over the holidays?

If you have any queries or concerns about this project you can contact School Infrastructure NSW during business hours on 1300 482 651. You can also contact School Infrastructure NSW on the email address schoolinfrastructure@det.nsw.edu.au.

In an emergency, call triple zero (000).
