Message from your Principal

Teven-Tintenbar Public School welcomes the addition of a new school hall and Out of School Care facility. This will be a fantastic enhancement to our school community, who are all very excited to start to use the building. I would like to acknowledge the work of the previous principal, Mrs Ginny Latta, and the current School Administrative Manager, Mrs Julie Partridge, for their tireless efforts in making this project come to fruition. I would also like to acknowledge the work of the contractors and tradespersons who have worked diligently throughout this period to build the hall despite unprecedented circumstances including flooding, materials and labour shortages, and COVID.
