Tweed Heads South Public School

Term 3 holiday construction works

September 2020

Investing in our schools

The NSW Government is investing \$6.7 billion over four years to deliver more than 190 new and upgraded schools to support communities across NSW. This is the largest investment in public education infrastructure in the history of NSW.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across NSW. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.

Project overview

Tweed Heads South Public School is being upgraded to provide new permanent teaching spaces and core facilities. The scope of work includes 11 new permanent future focused learning spaces, a new library, a more visually appealing and practical street entry, new canteen, new out of school hours care facilities and improved playground and outdoor spaces.

Progress summary

External work to construct the new student canteen is almost complete and work is continuing to redevelop the school entry. Tenders have closed for main works and School Infrastructure NSW is evaluating submissions.

Work is continuing to prepare planning approval documents for lodgement with Tweed Shire Council.

The Development Application will be exhibited for the community to review and comment.

School holiday works

Early works will continue during the Term 3 school holidays and into early Term 4. Work on the canteen will include:

- Installation of cabinetry and joinery
- Installation of electrical wiring and plumbing
- Laying flooring.

External work to construct the redeveloped school entry will include:

- Brickwork for new walls
- Landscaping, fencing and installation of new security gate.

Work hours

Work will take place between 7:00am and 6:00pm, Monday to Friday and 8:00am to 1:00pm on Saturdays. Thank you for your patience as we deliver this important school infrastructure.
