

Tweed River High School

Works notification

July 2020

Tweed River High School is being upgraded to provide new permanent teaching spaces and core facilities. The scope of work includes new and refurbished learning spaces, a new library and senior learning environment, a new technology and applied studies building, enhanced student canteen and expanded hospitality teaching facilities including a new commercial kitchen. Early works started during the Term 1 school holidays to redevelop the student canteen.

Upcoming construction work

From the week commencing 27 July 2020 our contractors will be on site at the school to undertake the following activities:

- Connecting the sewer for the canteen
- Removing small portions of concrete
- Pouring a concrete access ramp to the canteen.

Working hours

Work will take place between 7:00am and 6:00pm, Monday to Friday and 8:00am to 1:00pm on Saturdays.

We are here to make sure that work is completed safely and efficiently and we will minimise impacts on the community at every opportunity.

Thank you for your patience while we deliver this important school infrastructure.
