Waitara Public School

Project overview

Investing in our schools

The NSW Government is investing \$6.7 billion over the next four years to deliver 190 new and upgraded schools to support communities across NSW.

In addition, a record \$1.3 billion is being spent on school maintenance over five years. This is the largest investment in public education infrastructure in the history of NSW.

Upgrade of Waitara Public School

A project is underway to upgrade Waitara Public School. The upgrade will deliver:

37 new permanent classrooms

A new hall and canteen

Upgraded core facilities, including increased library space

New staff and administration facilities
