

# Wamberal Public School

## Back to school 2020

## Welcome to your school

We're excited your new school facilities are ready for you to use. The upgrade to your school includes:

A new building with **15** flexible learning spaces

Refurbished administration building

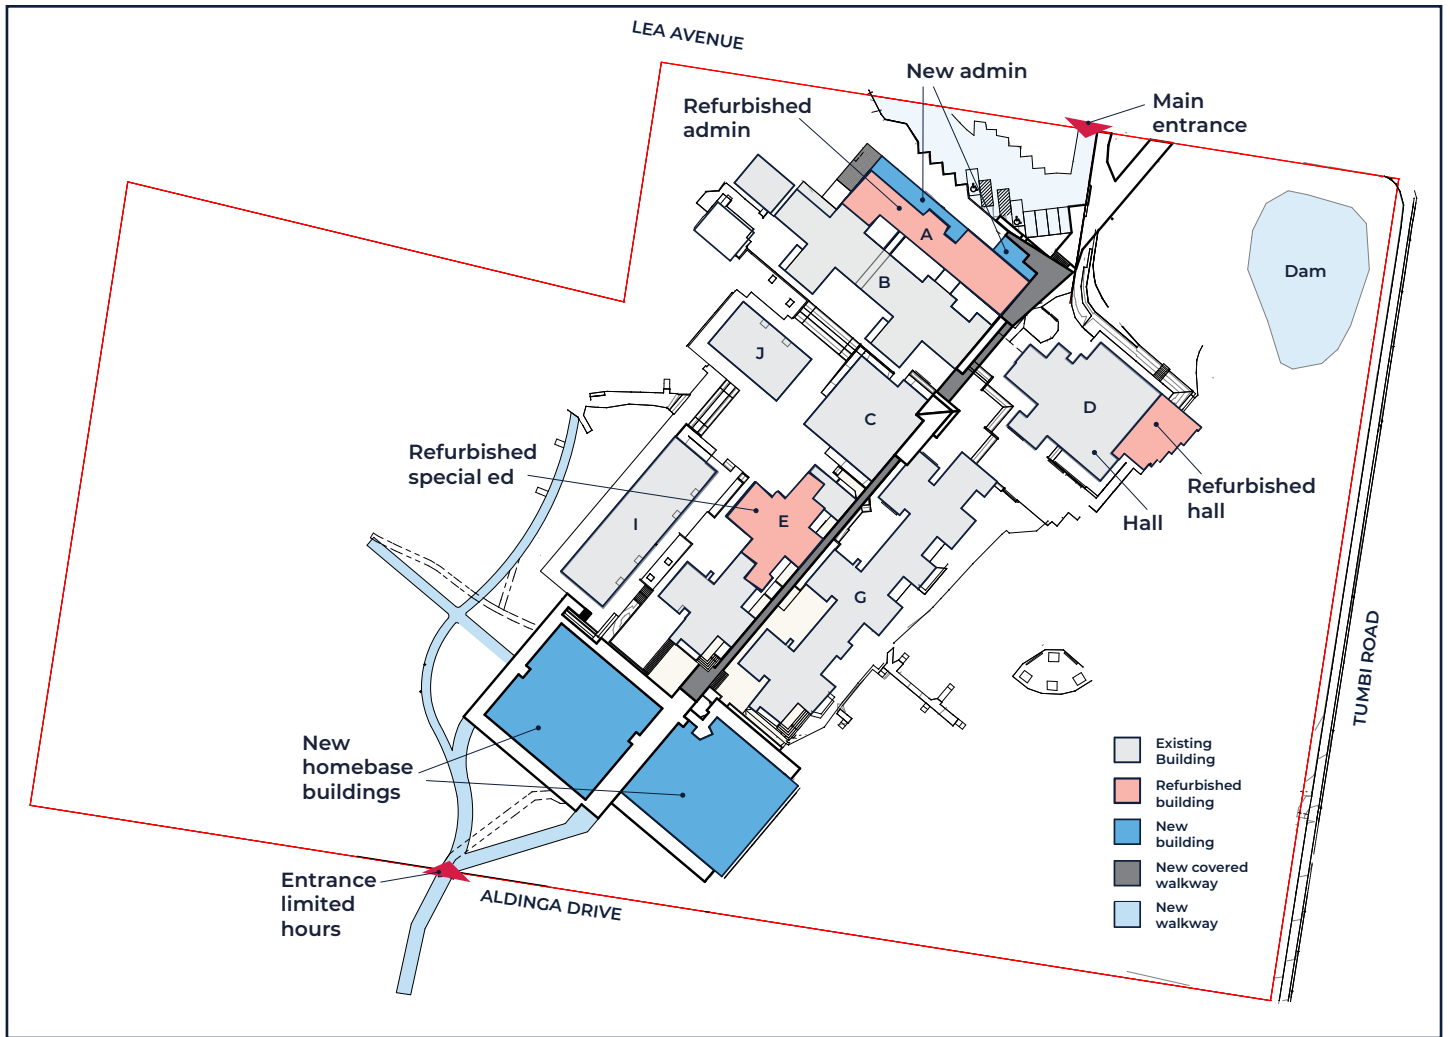

Upgraded school hall

Upgraded staff car park

Thank you for your patience during construction. We are thrilled to deliver this project for your school community and hope you enjoy your new spaces. Share your back to school experience with **#Ready2020**.

Map of the upgraded Wamberal Public School

## Message from your Principal

We are proud of our recent upgrades to Wamberal Public School. We have refurbished Block A which is now the administration block and we have upgraded the school hall to include an outdoor amphitheatre with direct access to the oval.

The upgrade of our fifteen new classrooms is amazing and the space they will provide for students will be so beneficial for them.

The classrooms will provide flexible learning, enabling our students to become successful learners, displaying confidence and creativity, along with the knowledge and skills to become active and informed citizens of the future, living and working successfully in the 21st Century.

We will continue to focus on quality teaching for our students.

I'd like to thank students, staff, parents and the local community for their patience during construction.

I am sure you'll be as pleased as we are with the outcome.

**Paul Miller, Principal**

## Innovative learning environments

The upgrade to Wamberal Public School has been completed. This exciting project now delivers innovative learning environments for the next generation of young minds.

Innovative learning environments provide flexibility where teachers can provide opportunities for student engagement. The learning spaces:

- are adaptable to accommodate small or large groups
- include learning neighbourhoods with flexible spaces that allow students to use technology in a variety of settings
- provide opportunities to enhance skills in collaboration, communication, critical thinking, problem solving and creativity.

# What to expect on Day 1

---

Students will move into their new classrooms from Day 1 Term 1 2020.

Over the summer holidays we allocated which classes would move into the new spaces.

Teachers will provide students with more information when they return to school. Refer to the FAQs for information on accessing the school.

The school map shows the location of the building.

# Frequently asked questions

## What is being delivered in the upgrade at Wamberal Public School?

The upgrade includes permanent teaching spaces for 15 classrooms and upgraded existing facilities including:

- administration building
- student amenities
- staff amenities and facilities
- front staff carpark.

Further work will be done throughout Term 1 to finish the upgrades to the:

- western carpark and staff carpark
- school hall

## Which classes are being relocated?

The new classrooms are fully operational and students will move into them on 29 January 2020. Teachers will provide students with more information when they return to school.

## Will there be any changes to the school entrances?

The main school entrance is at Lea Avenue. This is the only entrance that will be open during school operational hours.

The entrance on Aldinga Drive is only operational between:

- 7:00am and 9:30am
- 3:30pm to 4:30pm

## Will there be any changes to the Out of School Hours Care?

No, it will continue to operate as normal.

## When will the demountables be removed?

Five demountable buildings were removed in late 2019. It is anticipated that the five remaining demountables will be removed in Term 1.

## Will there be any changes to parking, staff parking, Kiss and Drop area or the bus stop?

The front carpark has been upgraded to enable additional car spaces for staff and visitors including additional accessibility car parks.

The western carpark will be upgraded by April 2020 to provide secure car parking access for staff.

There are no changes to the bus stop or speed zones.
