

Wauchope Public School upgrade

## Frequently asked questions

### What is being delivered in the upgrade to Wauchope Public School?

We are excited to announce the Wauchope Public School upgrade is complete. The upgrade includes a new two storey building with 13 flexible learning spaces, shared learning areas on both levels, increased outdoor play area and new student toilets.

### Which classes are being relocated?

From Monday 2 March classes from Kindergarten, Year 3, Year 4, Year 5 and Year 6 will be relocated to classrooms in the new building. For more information, please see the school map on the previous page.

### What are innovative learning spaces?

Innovative learning spaces are flexible and well-resourced so that teachers can design a wide range of learning activities to develop the skills and knowledge of students.

### Will there be any changes to the school entrances?

Students will continue to enter the school via the Waugh Street, Campbell Street and Mackay Street entrances. Please see the school access map for more information.

### Will there be any changes to the Out of School Hours Care?

No, it will continue to operate as normal Out of School Hours Care.

### When will the demountable classrooms be removed?

The demountable classrooms will be removed and the area will be landscaped during the Easter school holidays.

### Will there be any changes to parking, staff parking or the bus stop?

No. These remain unchanged and will continue to operate as usual. The bus drop off zone remains on Waugh Street and Campbell Street.

# Wauchope Public School

## Term 1 2020

Wauchope Public School upgrade

## Welcome to your school

We're really excited your new school facilities are ready for you to use. The upgrade to your school includes:

A new two storey building with  
**13** flexible learning spaces

New student  
toilets

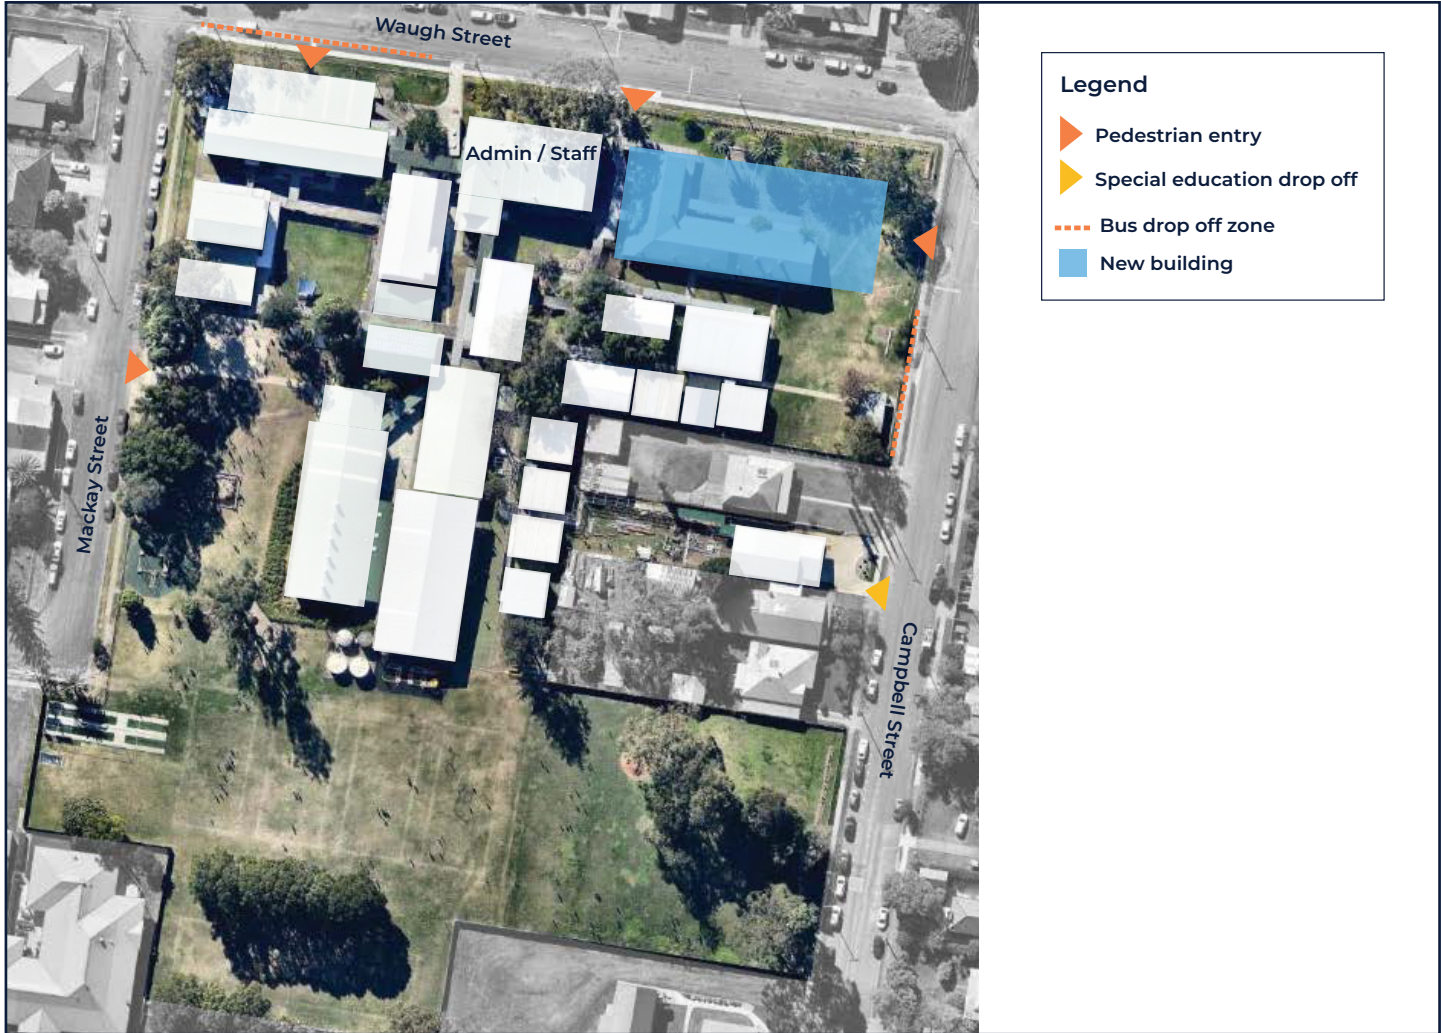

Shared learning areas  
on both levels

Increased outdoor  
play area

Thanks for your patience during construction, we are thrilled to deliver this project for your school community and hope you enjoy your new spaces.

Access to new school buildings from Term 1, 2020

# Innovative learning environments

The upgrade to Wauchope Public School has been completed. This exciting project now delivers innovative learning environments for the next generation of young minds.

Innovative learning environments provide flexibility where teachers can provide opportunities for student engagement. The learning spaces:

- are adaptable to accommodate small or large groups
- include learning neighbourhoods with flexible spaces that allow students to use technology in a variety of settings
- provide opportunities to enhance skills in collaboration, communication, critical thinking, problem solving and creativity.

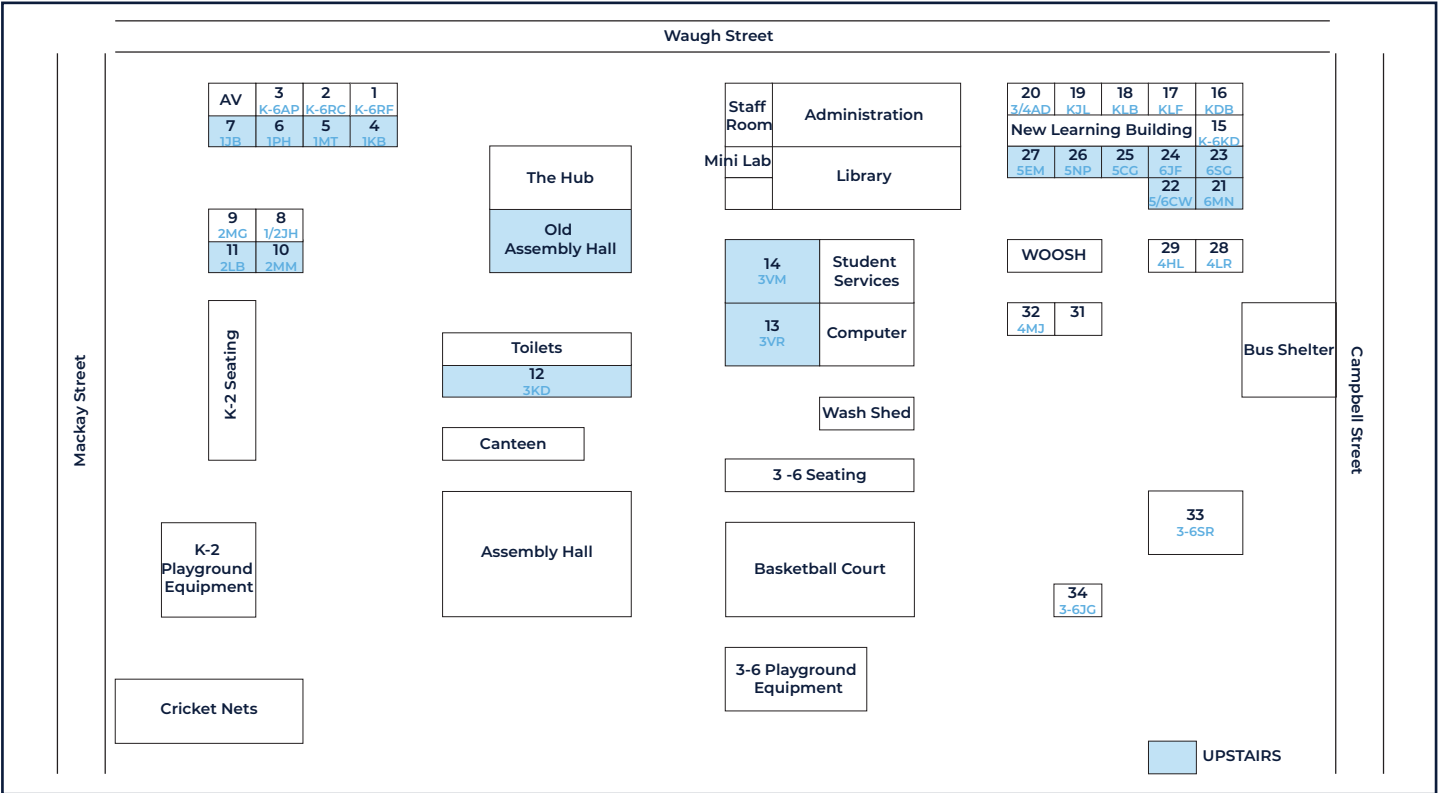

Innovative learning spaces

# Term 1 classroom relocation

Students will transition into the new building from Week 6 as part of a staged approach.

The site plan shows the location of the learning spaces in the school for 2020.
