Wee Waa High School redevelopment

Project update | November 2022

Investing in our schools

The NSW Government is investing \$8.6 billion in school infrastructure over the next four years, continuing its program to deliver 160 new and upgraded schools to support communities across NSW. This builds on the more than \$9.1 billion invested in projects delivered since 2017, a program of \$17.7 billion in public education infrastructure.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across NSW. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.

Project overview

A project is underway to redevelop Wee Waa High School. The project will deliver new learning spaces, modern core facilities including a library and multipurpose hall, a new agricultural and environment centre, sports fields and sports courts as well as a new Indigenous Cultural Centre.

Community Information session BBQ new date: Tuesday 29 November 2022

Due to adverse weather and road closures to and from Wee Waa, the community information session in November has been rescheduled to Tuesday 29 November. Join us at the session where you can find out more about next stage of the project and speak to the School Infrastructure NSW team and project builder.

- New date: Tuesday 29 November 2022
- Time: 3 pm to 6:30 pm
- Venue: Dangar Park, 63 Cowper St, Wee Waa NSW 2388

In order to manage attendee numbers, we request that you book a preferred attendance time via Eventbrite following the QR code or link below.
