Wee Waa High School

Project update

November 2021

Investing in our schools

The NSW Government is investing \$7.9 billion over the next four years, continuing its program to deliver 215 new and upgraded schools to support communities across NSW. This is the largest investment in public education infrastructure in the history of NSW.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across NSW. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.

Project overview

A project is underway to redevelop Wee Waa High School. The project will deliver new learning spaces, modern core facilities including a library and multipurpose hall, a new agricultural and environment centre, sports fields and sports courts as well as a new Indigenous cultural centre.

Progress summary

The master planning and concept design phases are complete and the State Significant Development (SSD) application for the project has now been lodged with the Department of Planning, Industry and Environment (DPIE).

The SSD application will be put on public exhibition within the next week for formal feedback.

Have your say

You can find detailed information about the SSD application by going to the DPIE's website, if you would like to provide feedback on the concept design, you can make a formal submission during the exhibition period of 28 days by following the 'Make a Submission' link.

Feedback on the SSD application will be directed to DPIE via their website;

Community information session

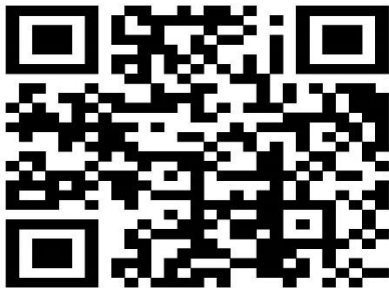

Join us at the upcoming information session to find out more about the project scope and benefits, timeline and the design approach.

At the information session, you will also be able to book a phone call with the School Infrastructure NSW team or submit feedback and ask questions about the project.

- **Date:** Wednesday 17 November 2021
- **Time:** 3 pm to 6:30 pm
- **Venue:** Wee Waa Bowling Club, 69 Alma St, Wee Waa NSW 2388

In order to manage attendee numbers, we request that you book a preferred attendance time following the link or QR code below.

<https://www.eventbrite.com.au/e/wee-waa-high-school-redevelopment-information-session-tickets-158051752045>

Please note it is a condition of entry to the Wee Waa Bowling Club that all guests over the age of 16 provide proof of double vaccination. Children under the age of 16 must be accompanied by a double vaccinated member of their household. Please do not attend if you are feeling unwell or have any respiratory or COVID-19 symptoms.

The event will have a COVID 19 Safety Plan to ensure that the information session at Wee Waa is conducted in a way that protects staff and community health and safety and complies with current NSW public health guidelines.

If you are unable to attend and want to book a phone call with the school infrastructure team please contact us on the details below with a preferred day and time.

All relevant information including images of the concept design, information about the SSD application and projected building timeline will be shared with the community via the school channels. All collateral will be available to download from the library section of Wee Waa High School project webpage at www.schoolinfrastructure.nsw.gov.au/projects/w/wee-waa-high-school-redevelopment.html

At the NSW Department of Education, we recognise the traditional custodians of the lands and waterways where we work and live. We celebrate the First Peoples' unique cultural and spiritual relationship to Country and acknowledge the significance of Aboriginal cultures in Australia.
