

Wentworth Point High School Project update | August 2024

Investing in our schools

As part of the NSW Government's plan to rebuild public education, the 2024-25 Budget is delivering record education funding, including \$3.6 billion for new and upgraded schools in Western Sydney. This targeted investment will ensure growing communities get access to a world class public education.

Project overview

A new high school will open in 2025 to cater for the growing population in the Wentworth Point, Sydney Olympic Park, Newington, Silverwater and Rhodes communities. The school is located at 7 Burroway Road, Wentworth Point.

Community consultation update

In June this year we undertook a survey on the values, uniform, logo, compulsory language and operational hours for the new high school. 268 parents, students and community members provided feedback.

When asked about uniform preferences, the majority of responses highlighted the desire for:

- A uniform more formal in nature to reflect the values of the community.
- High quality uniform items.
- Flexible clothing options for use throughout the year to provide students with choice.

Interested community members were able to opt in to ongoing consultation on both the school uniform and logo. A number of uniform companies were consulted, a preferred supplier was found, and uniform options workshopped with the community before proposed designs were developed.

Consultation on the school logo is still underway and has not yet been designed. Decisions on formation of school values, operational hours and compulsory languages have not yet been made. We will keep the community informed as these items progress.

Have your say on the Wentworth Point High School uniform

We are now seeking your feedback on the proposed school jacket, sports uniform and everyday uniform that have been developed.

Please visit the link below to view the designs and provide feedback by **Sunday 25 August 2024**.
