

Wentworth Point High School

Project update | August 2024

Investing in our schools

As part of the NSW Government's plan to rebuild public education, the 2024-25 Budget is delivering record education funding, including \$3.6 billion for new and upgraded schools in Western Sydney. This targeted investment will ensure growing communities get access to a world class public education.

Project overview

A new high school will open in 2025 to cater for the growing population in the Wentworth Point, Sydney Olympic Park, Newington, Silverwater and Rhodes communities. The school is located at 7 Burroway Road, Wentworth Point.

The completed high school will have new classrooms and learning spaces for approximately 1,500 students, as well as a multipurpose hall for sports and performance, outdoor spaces, including landscaped recreation areas, games courts and canteen facilities

Year 8 2025 Expression of Interest outcomes

An expression of interest for Year 8 enrolments was promoted in June and July. While this link was shared widely, unfortunately we were unable to secure a sufficient level of interest and a decision has been made that Wentworth Point High School can only open to Year 7 in 2025. An additional Year 7 cohort will be added each year after.

For more information please see the recent correspondence sent to everyone who expressed an interest in Year 8 enrolments. This is available in the 'library' tab on our website.

Enrolments for Year 7 2025

Enrolments are open for Year 7 2025. Please visit the website below for more information.

Progress update

- Construction of phase one (*two main buildings, amenities block and landscaping*) of the high school is complete.
- In order to start the construction of Phase 2 of the works (*the hall and additional landscaping*) we need to modify the existing State significant Development (SSD) application, which will allow us to build on the area where the old 'Ridge Road' was located on the Wentworth Point Peninsula Masterplan. Work is currently underway to prepare this amendment.

Next steps

- Delivery of furniture, furnishings and equipment will continue until the end of the year in preparation for opening Day 1 Term 1 2025.
- Tours of the new high school will be offered later in 2024.
- Consultation with the community on uniforms and logo is continuing.
- A contractor will be appointed to undertake Phase 2 of the works once the modification to the SSD has been approved. We will provide an update on the timeline for completion in coming months.

More information

You can find more information about the Wentworth Point High School project at <https://edu.nsw.link/WPNHS> or by scanning the QR code.

If you have any questions about this project, you can contact School Infrastructure NSW during business hours on the contact details below.

If you have any questions about enrolment, please contact Wentworth Point High School via email: WentworthPoint-h.school@det.nsw.edu.au

Other work in the Wentworth Point peninsula

If you have any questions about work on the Wentworth Point Peninsula Park and adjoining land, see Landcom's website for more information.
