

Wentworth Point High School

Project update | September 2024

Investing in our schools

As part of the NSW Government's plan to rebuild public education, the 2024-25 Budget is delivering record education funding, including \$3.6 billion for new and upgraded schools in Western Sydney. This targeted investment will ensure growing communities get access to a world class public education.

Project overview

A new high school will open in 2025 to cater for the growing population in the Wentworth Point, Sydney Olympic Park, Newington, Silverwater and Rhodes communities. The school is located at 7 Burroway Road, Wentworth Point.

Community consultation update

In June this year we undertook a survey on the values, uniform, logo, compulsory language and operational hours for the new high school.

When asked about ideas for the logo, some common ideas and preferences arose, which formed the basis for the ongoing design development. These included:

- Local flora & fauna
- The location on the Parramatta River
- A shield shape
- Traditional and modern logo designs.

Interested community members were able to opt in to ongoing consultation or to submit logo ideas for consideration. After a number of design workshops incorporating the feedback from recent surveys about styles and ideas, some logo concepts have now been developed by a local designer.

Have your say on the Wentworth Point High School logo

We are now seeking your feedback on logo concepts for a formal and shorter initials logo that have been developed.

Please visit the link below to view designs and provide feedback by **midday Tuesday 10 September 2024**.

edu.nsw.link/WPHS-Logo-Survey

Feedback will be considered before the logo is finalised and goes into production on the uniform and is finalised for all other logo placement. We will share the final logo with the community when finalised.
