

West Ryde Multi-Sports Facility

Community update | August 2023

A project is underway to redevelop the original Marsden High School site into a new community multi-sports facility with a focus on one of NSW's highest participation sports, netball.

DA exhibition extended to 28 August 2023

Earlier this month we notified the public that our responses to community submissions on the main works Development Application (DA) have been reviewed and are currently being re-exhibited by the City of Ryde Council until 26 July 2023.

The exhibition period for the DA re-exhibition has now been extended to 28 August 2023. The DA is available to view on the Council website under Development Applications on Exhibition: <https://www.ryde.nsw.gov.au/Planning-Development/Development-Applications/Development-Applications-on-Exhibition>

The DA reference number is LDA2022/0267. All submissions can be made directly to Council during the exhibition period.
