

Wilkins Public School – new preschool

Works notification

22 December 2020

Dear Neighbour,

A new purpose-built preschool facility is to be built on the school grounds at Wilkins Public School.

The Development Application submitted to Inner West Council in June 2020 has been approved.

Works will occur within the school site and are scheduled to commence on 4 January 2021. They include:

- Site establishment and early construction works including demolition, foundation excavation and piling
- Remediation of contaminated soil identified on the pre school site and sports court site in accordance with the Department of Education's Asbestos Management Plan and SafeWork NSW regulations.

All remediation work will be completed by a licensed and accredited asbestos contractor, and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies and guidelines. A clearance certificate will be issued by the hygienist.

Hours of Work

Monday to Friday: 7:00am to 6:00pm.

Saturdays: 8:00am to 1:00pm.

There will be no work on Sundays or Public holidays.

Traffic Management

Construction traffic will enter and exit via McRae Street access gate.

Traffic control will be in place as required to manage pedestrian and vehicular movements near site access.

If you have any queries relating to the important work at Wilkins Public School, please contact School Infrastructure NSW using the contact details provided below.
