

Thank you

from William Stimson Public School

To our community

We would like to thank you for your patience as we have delivered this upgrade to the school.

Your support and cooperation has made it possible for us to deliver these new facilities for students and their families.

With all work now complete on the upgrade, the project team has handed over the new facilities to the school to use when school operations return to normal.

Wishing you all the best,

The School Infrastructure Project Team and William Stimson Public School

William Stimson Public School upgrade

New facilities

We're really excited about the new school facilities. We have delivered:

- 16 new permanent teaching spaces in 2 new buildings
- a refurbishment and extension to the administration building
- an upgrade to landscaping
- a refurbished sports court.

Thank you for your patience during construction of the upgrade to William Stimson Public School. We are thrilled to have delivered this project to the community.
