

Willoughby Public School

Main construction works complete

Willoughby Public School upgrade

The upgrade of Willoughby Public School has now been completed. We have delivered:

A new building with **18** permanent, flexible learning spaces and a library

More functional outdoor play space

Refurbishment of two heritage buildings with the addition of **2** new classrooms

A new canteen

New amenities

New administration and staff areas

Willoughby Public School upgrade

Main construction works complete

Main construction works for the Willoughby Public School upgrade have now been completed. Students and staff are enjoying their new spaces.

Message from the Principal

Thank you for your patience during the building process at Willoughby Public School. Our students and teachers displayed great flexibility and resilience, adapting to changes in playgrounds and classrooms as they occurred. We have a wonderful learning environment for our students and teachers to learn and work.

Jennifer Simmonds
Willoughby Public School Principal

Thank you

We would like to thank you for your patience while we delivered this upgrade to the school.

Your support and understanding has made it possible for us to deliver these new facilities for the students and staff of Willoughby Public School.
