Yass High School upgrade

To our community

We would like to thank you for your patience as we have delivered this upgrade to the school.

Your support and cooperation has made it possible for us to deliver these new facilities for students and their families.

With all work now completed on the upgrade, the project team has handed over the new facilities to the school to use.

Wishing you all the best,

The School Infrastructure Project Team and Yass High School

Yass High School upgrade

New facilities

We're really excited about the new facilities.
This includes:

- six new teaching and learning spaces devoted to a STEM (science, technology, engineering and mathematics) framework, encouraging problem solving, discovery and exploratory learning
- three new seminar spaces
- new covered outdoor areas
- new staff study facilities
- new landscaping and accessibility improvement works.
