

Internal view of the new hall at Yass High School

# Yass High School

## Project update | December 2022

### Investing in our schools

The NSW Government is investing \$8.6 billion in school infrastructure over the next four years, continuing its program to deliver 160 new and upgraded schools to support communities across NSW. This builds on the more than \$9.1 billion invested in projects delivered since 2017, a program of \$17.7 billion in public education infrastructure.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across NSW. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.

### Project overview

School Infrastructure NSW has built a new multipurpose hall at Yass High School. The hall includes a basketball court, stage, storage and amenities

### Progress summary

All major internal and external works are now complete, with the hall handed over to the school for early use in late November 2022.

### Next steps

Minor defects, such as paint touch ups, will be rectified over the coming weeks.

### Working hours

Working hours are Monday to Saturday, 7 am to 5 pm. No work will occur on Sundays or public holidays, unless otherwise. We thank you for your patience and understanding as we finish delivering this important project.
