

Young High School

Works notification

27 May 2021

Work is underway to redevelop Young High School to provide the latest education facilities to the students. The improvements include delivery of a new joint-use library and community facility, new learning spaces and general upgrades to school facilities.

Change to construction hours

There will be a change in construction hours for this project. School Infrastructure NSW construction sites were temporarily permitted to operate on weekends and public holidays during the COVID-19 pandemic. The COVID-19 Development Construction Work Days Order 2021 has been updated to reflect new public health advice.

Construction hours for this project will revert back to standard hours from Monday 7 June 2021.

Work hours will be 7:00am to 6:00pm Monday to Friday and 8:00am to 1:00pm Saturday. There will be no works on Sundays or public holidays unless notified.

The previous construction hours were in place to allow workers to abide by social distancing rules while on construction sites, by distributing work over more days in a week.

School Infrastructure NSW will continue to ensure work is considerate of neighbours with noise kept to a minimum.

Keeping you updated

Thank you for your understanding during this important work. We welcome any enquiries regarding work at Young High School.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across New South Wales. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.
