The Department of Education's ventilation and asset use recommendations are complete.

For your school, the capacity for spaces has been reviewed based on the available openable windows and doors, their orientation and the presence of mechanical ventilation methods.

Improving air quality by maximising fresh air in each classroom is one of a range of measures employed by the department to reduce the risk of COVID-19 transmission. To view the comprehensive range of measures in place, visit the '**Advice for school based staff**' page on the intranet. You should use this ventilation report alongside your school COVID safety plan.

Should you have any questions about your report, please contact your local Asset Services Officer to discuss these further.
