

Mullumbimby High School

Works notification | 06 June 2023

School Infrastructure NSW and Public Works are managing the repair and remediation of buildings and grounds at Mullumbimby High School.

Excavation works.

From **Monday 12 June to Friday 30 June 2023**, we will be starting storm water drainage works behind Block D classrooms and Block G teachers' facilities. The work includes:

- Excavation and grading to lower the site for overland drainage management.
- Removal of spoil from the school to licenced waste management facilities.

What you will notice.

New exclusion fencing around Blocks G and D will be installed. The works will be undertaken within the fenced-off construction zone.

There will be truck movements in and out of the school at Jubilee Avenue. Traffic control will be in place to ensure the safety of truck and plant movement in and out of the school.

Access will be maintained at all times for school deliveries.

Work hours will be **Monday to Friday 7am to 5pm, and Saturday 7am to 5pm.**

Thank you for your cooperation during this important work.
