

Harcourt Public School

Works notification

28 July 2022

Dear staff and parents/carers,

During the school holidays, maintenance works were initiated at Harcourt Public School to remove mould in the carpet in several classrooms in Block A, Block B and Block C.

The affected areas have been cordoned off and will remain out of bounds to students and staff until remediation is completed.

Remediation work involves appropriate cleaning and drying of Block A, Block B and Block C as instructed by an independent occupational hygienist.

Work is taking place between Thursday 7 July and Sunday 27 August 2022, weather permitted and in line with advice from the independent occupational hygienist.

Testing will be completed to ensure the area has been fully remediated. The school will receive a clearance certificate before the area is open to students and staff.

Thank you for your cooperation during this important work.
