

Adamstown Public School

School holiday works notification – Summer | 2025/2026

Dear staff, parents, carers and neighbours,

School holidays are the ideal time to undertake maintenance and project work across the state without disrupting learning.

Planned work over the upcoming holidays

We will be working at your school during the summer holidays.

This period may include from the end of the school day from Friday 19 December 2025 up to the first day of Term 1 Monday 2 February 2026.

The work involves the installation of a new Out of School Hours (OOSH) hub and upgrading the stormwater drainage system across the school.

There will be temporary fencing, enclosures and signage while work is taking place.

The Outside of School Hours (OOSH) service will operate as usual. Please stay away from any out of bounds areas marked by fencing or signage.

Work hours are between 7 am and 6 pm Monday to Friday, and 8 am and 1 pm on Saturday, in line with NSW Environment Protection Authority guidelines.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your cooperation during this important work.
