

Timbumburi Public School

Works notification | 4 September 2024

Dear staff, parents and carers,

Further to the [Works Notification on 7 June](#) regarding the drinking water quality test results for Timbumburi Public School, remediation work has been completed by a qualified and accredited tradesperson following advice by an independent hygienist.

Re-testing of the affected tap outlet by an independent hygienist has returned results that meet the requirements of the [Australian Drinking Water Guidelines](#).

Access to the tap outlet, located at the canteen tap in Building D, has been restored and can now be used by students and staff.

The health and wellbeing of students, staff and the local community is our highest priority.

Thank you for your cooperation during this important work.
