

Armidale City Public School

Works notification | 17 July 2023

Dear staff and parents/carers,

We are replacing the external wall sheet on Building D at Armidale City Public School. As part of this work, asbestos containing material within the wall will need to be removed.

The area will be cordoned off before the work starts, and safety measures and monitoring put in place before works start.

Work to remove the wall sheet will take place between Saturday 29 July and Sunday 30 July 2023.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The area will be inspected by an independent hygienist to confirm it has been fully remediated, and the school will receive a clearance certificate before the area is reopened.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
