

# Ashfield Public School

## Works notification | 5 February 2026

Dear staff, parents, carers and neighbours,

Further to the works notification issued in December 2025, excavation activities at Ashfield Public School will involve the use of a jackhammer on **Friday 6 February 2026 between 7 am and 9 am**.

This work will take place in the basketball court area closest to the Murrell Street side of the school. This is part of a project to improve school facilities by replacing the retaining wall close to the hall.

We understand that additional noise caused by the jackhammer may cause some disruption and apologise for any inconvenience.

We are committed to managing noise in line with regulatory requirements and will make every effort to ensure works are carried out safely and efficiently with minimal disruption to the community.

### School holiday works notification issued December 2025

Dear staff, parents, carers and neighbours,

School holidays are the ideal time to undertake maintenance and project work across the state without disrupting learning.

#### Planned work over the upcoming holidays

We will be replacing the retaining wall closest to the hall at Ashfield Public School.

This project will start during the summer holidays from Monday 5 January 2025. Work will continue through terms 1 and 2 and is expected to be finished by Day 1 Term 3 2026, weather and site conditions permitting.

An exclusion zone will be installed within the school for the safety of students and to minimise disruption to their learning.

There will be an increase in noise as excavation works take place. We will make every effort to minimise noise where possible.

The Out of School Hours (OOSH) and vacation care service which runs from Blocks C and F will not be affected and will operate as usual during the holidays.

Email: [schoolinfrastructure@det.nsw.edu.au](mailto:schoolinfrastructure@det.nsw.edu.au)  
Phone: 1300 482 651  
[schoolinfrastructure.nsw.gov.au](https://schoolinfrastructure.nsw.gov.au)

School operations will not be interrupted when school returns in Term 1 2026.

**Work hours**

Construction activities will take place between 7 am and 6 pm, Monday to Friday and 8 am and 1 pm on Saturday. No work will take place on Sundays or public holidays.

If you have any questions about this, please contact the NSW Department of Education on the details below.

Thank you for your understanding during this important work.
