

# Berowra Public School

## Works notification | 12 September 2025

Dear staff, parents and carers,

It's back to school for the Berowra Public School community today.

Sydney Water has repaired the burst water main at the intersection of Church Street and the Pacific Highway in Mount Kuring-gai. Bottled water and tank water remain available on standby as a precaution.

We hope that the sun remains for your upcoming Colour Fun Run and we know that the rescheduled Book Parade will be worth the wait.

For live water service updates, please visit the Sydney Water website:

<https://www.sydneywater.com.au/water-the-environment/how-we-manage-sydneys-water/water-supply-and-service-updates.html>

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your understanding.
