

Bilambil Public School

Works notification | 12 December 2022

Dear staff and parents/carers,

Upcoming maintenance works will update the kitchen of Bilambil Preschool. This work will involve working with asbestos containing material in the walls. Please be assured the room is currently safe for use.

The material is bonded asbestos, which means it is attached to other material such as cement or vinyl and cannot be crumbled by light pressure.

Work to remove the material will take place on Saturday 14 January 2023. All asbestos containing material will be removed outside of school hours and in accordance with the advice of the independent hygienist.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies and guidelines.

The area will be inspected to ensure it has been fully remediated. The school will receive a clearance certificate before the area is open to students and staff.

The health, safety, and wellbeing of the school and the local community is our highest priority. Thank you for your cooperation during this important work.
