

Blakebrook Public School

Works notification | 24 September 2024

Dear staff, parents and carers,

Further to the [works notification on 27 June](#) regarding the drinking water quality test results for Blakebrook Public School (currently located at the Goolmangar Public School site), remediation work has been completed by a qualified and accredited tradesperson, following advice provided by an independent hygienist.

Re-testing of the affected tap outlets by an independent hygienist has confirmed that the results meet the requirements of the [Australian Drinking Water Guidelines](#).

Access to the following tap outlets has been restored and can now be used again by students and staff:

- canteen in Building B
- practical activities area in the Year 5-6 classroom demountable
- practical activities area in the Kindergarten, Year 1, and Year 2 classrooms in Building E
- staff kitchen and sick bay.

The health and wellbeing of students, staff and the local community remain our highest priority.

Thank you for your cooperation during this important work.
