

# Bonalbo Central School

## Works notification

19 September 2022

Dear staff and parents/carers,

Upcoming maintenance works to replace a window at Bonalbo Central School will involve working with asbestos containing material in a window frame located in Block K (room KR0008).

Work will take place during the upcoming school holidays between Thursday 29 September and Saturday 1 October 2022. All asbestos containing material will be removed in accordance with the advice of the independent hygienist.

The window is currently boarded up and the area will be cordoned off before works start. Additional safety measures and monitoring will be put in place. It will remain out of bounds to students and staff until the removal and associated maintenance work is completed.

This area will be remediated in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors, and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies and guidelines.

The area will be inspected to ensure it has been fully remediated. The school will receive a clearance certificate before the area is open to students and staff.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
