

Bonalbo Central School

Works notification | 31 January 2023

Dear staff and parents/carers,

During the school holidays, the refurbishment of Building R at Bonalbo Central School included working with asbestos containing material in the walls.

Work took place between Monday 9 January and Friday 20 January 2023. Safety measures and monitoring were in place and the area remained out of bounds to any visitors to the school until the removal and associated maintenance work was completed.

This area was remediated in accordance with SafeWork NSW regulations and the Department of Education's Asbestos Management Plan. All work was completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies and guidelines.

Testing was completed to ensure the area has been fully remediated, the school has received a clearance certificate and the area has reopened to students and staff.

The health, safety and wellbeing of the school and local community is our highest priority.
