

Bondi Beach Public School

Works notification | 28 November 2023

Dear staff and parents/carers,

We are refurbishing the student/staff toilets in Building B at Bondi Beach Public School. This work will involve working with asbestos containing material in toilet partitions.

The area will be cordoned off before the work starts, and safety measures and monitoring put in place.

Work to remove asbestos containing material will take place on Monday 4 December 2023. All work involving asbestos containing materials will take place outside of school hours, with additional safety measures and monitoring in place before the work starts.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The toilets will be inspected by an independent hygienist to confirm it has been fully remediated, and the school will receive a clearance certificate before the area is reopened.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
