Fencing works notification | 3 July 2025

Dear staff, parents, carers and neighbours,

We wish to advise that we will be replacing the existing fence at the boundary between neighbouring properties and Boolaroo Public School during the upcoming school holidays.

Key details:

- **Work dates:** Monday 7 July to Friday 18 July 2025, weather permitting.
- **Scope of work:** removal and replacement of existing paling fence like-for-like located at the back of the school's oval.
- **Work hours:** 7.30 am to 5.00 pm weekdays.

The fence replacement will be done in line with the school's lead management practices as outlined in the environmental and risk management plans.

We will have temporary barriers or fencing, signage restricting access and workers wearing personal protective equipment between your property and the school.

All work will be done in accordance with work, health and safety laws. All work will be completed by licensed contractors.

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your cooperation during this important work.
