

# Boronia Park Public School

Works notification | 10 August 2023

Dear staff and parents/carers,

We are refurbishing the flooring in a storeroom in Building F and the ceiling of an external covered walkway in front of the canteen in Building B at Boronia Park Public School.

As part of this work, asbestos containing vinyl tiles and ceiling sheets will need to be removed.

The storeroom is currently locked in preparation for works and the covered walkway outside Building B is being safely used at present as the ceiling sheets are undisturbed and in good condition.

This work will take place on Saturday 26 August and Sunday 27 August 2023.

Work areas will be cordoned off, and additional safety measures and monitoring will be put in place under the advice of an independent hygienist before works start. They will remain out of bounds until the work is finished.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The areas will be inspected to ensure they have been fully remediated, and the school will receive a clearance certificate before they are reopened to students and staff.

The health, safety, and wellbeing of the school and the local community is our highest priority. Thank you for your cooperation during this important work.
