

Boronia Park Public School

Works notification | 13 August 2025

Dear staff, parents, carers and neighbours,

To improve accessibility to the library, we are installing a passenger lift and a connecting bridge at Boronia Park Public School.

The project involves:

- construction of a lift shaft next to the stairwell of Building A, and the installation of lift components and necessary electrical systems for lift operation, including wiring, control panels and emergency systems
- construction of a bridge connecting buildings A and R on level 1 of the library.

Work is expected to start September 2025 and finish in Term 2 2026, depending on weather and site conditions.

Work hours are between 7 am and 6 pm Monday to Friday, and 8 am and 1 pm on Saturday, in line with local council guidelines.

The library will remain open throughout the work.

We will have temporary fencing, signage restricting access to the construction zone and workers wearing personal protective equipment while work is taking place.

All work will be done in accordance with work, health and safety laws. All work will be completed by licensed contractors.

For more information on how construction impacts will be managed, visit the School Infrastructure website: [Managing construction impacts in your community \(nsw.gov.au\)](https://www.nsw.gov.au/education/school-infrastructure).

If you have any questions about this work, please contact the NSW Department of Education on the details below.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your cooperation during this important work.
