

Broken Hill Public School

Works notification | 3 April 2025

Dear staff, parents and carers,

During exterior facade and eave replacement works to two of the main buildings at Broken Hill Public School, two separate incidents of construction material falling were reported on Tuesday 1 April 2025.

No injuries were reported and work was stopped immediately.

SafeWork NSW was also notified.

The department completed an inspection of the construction site and surrounding area on Wednesday 2 April 2025 to put in place additional safety precautions.

Additional safety precautions

Existing temporary fencing around both buildings has been extended and netting has been installed.

All exterior building work will take place outside of school hours (before 8am and after 3.30pm).

All work occurring on other buildings is continuing as scheduled.

The department will continue to work with the contractor to ensure site safety is maintained.

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your cooperation during this important work.
