

School of Air and Broken Hill North Public School

Works notification | 18 June 2026

Dear staff, parents, and carers,

We are pleased to advise that site improvement works are finished and are now operational at Broken Hill North Public School.

The following works were completed at Broken Hill North Public School:

- replacement of cricket nets
- installation of shade structure
- installation of a new access gate between Broken Hill North Public School and the School of the Air to improve connectivity and provide School of the Air students with access to outdoor play and recreation facilities.

These improvements support shared use of outdoor spaces and provide students with increased opportunities for play, social interaction and learning in a safe and engaging environment.

Thank you for your understanding and support during this important work.
