

Brunswick Heads Public School

Works notification | 13 December 2022

Dear staff and parents/carers,

Upcoming maintenance works to install new carpet at Brunswick Heads Public School will involve working with asbestos containing material in the Administration building in Block A, two rooms in Block E and the staff room in Block F.

Work will take place over the summer school holidays between Monday 9 January and Friday 20 January 2023. All asbestos containing material will be removed outside of school hours and in accordance with the advice of the independent hygienist.

Safety measures and monitoring will be put in place and the area will remain out of bounds to any staff or students who may visit the school over the holidays until the removal and associated maintenance work is completed.

Work will be undertaken in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The area will be inspected to ensure the area has been fully remediated. The school will receive a clearance certificate before the area is open to students and staff.

The health, safety, and wellbeing of the school and the local community is our highest priority. Thank you for your cooperation during this important work.
