

# Bulahdelah Central School

## Works notification | 15 November 2024

Dear staff, parents and carers,

The NSW Department of Education regularly inspects and maintains its school assets.

On Saturday 23 November 2024 we have scheduled planned maintenance work in Building B at Bulahdelah Central School.

The work involves removing and replacing ceiling eaves with known asbestos-containing material as listed on the school's asbestos register.

All work involving asbestos-containing materials will take place outside of school hours between the hours of 7:30 am and 4 pm.

All work will be done in accordance with work health and safety laws and the NSW Department of Education's Asbestos Management Plan.

Safety measures will be in place while work is being done.

All work will be completed by licensed asbestos contractors and monitored by independent hygienists.

The area will be inspected by the independent hygienist to confirm it has been fully remediated, and a clearance certificate will be issued before the area is reopened.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
