

Cambewarra Public School

Community update | 22 July 2024

Dear staff, parents and carers,

We are pleased to inform you the school's new demountable buildings are ready for students and staff to use from Tuesday 23 July 2024.

The school has been a hive of activity, during the past fortnight, to ensure works on our three new classrooms, new library and new administration building are completed.

The refurbished buildings feature new carpet, upgraded IT, air conditioning and LED lighting.

Site map

We have also undertaken essential maintenance of the girls' and boys' toilet facilities, closest to these buildings, including painting, during the break.

We will continue to keep you informed about future works happening across the school.

Thank you for your patience during removal and installation work.
