

Carcoar Public School

Works notification | 22 August 2025

Dear staff, parents and carers,

We're pleased to share an update on the start of works at Carcoar Public School, which involves the refurbishment of the student toilets in Building D.

Toilet refurbishment

Works started on Thursday 14 August 2025 and are being carried out between:

- 7 am and 4 pm Monday to Friday
- 7 am and 12 pm on Saturdays.

No work will take place on Sundays or public holidays.

To support this work, a temporary toilet demountable building will be placed on school grounds near the admin building for student use during the refurbishment period, starting from Monday 14 August 2025. We anticipate the refurbished toilets will be finished and reopened to students by Monday 24 November 2025, weather and other conditions permitting.

As part of the refurbishment, the toilet facilities will be stripped out, re-lined, re-tiled, re-roofed, fully fitted out, and repainted. There will be appropriate safety controls in place including signage, restricted access, and the use of personal protective equipment by workers for protection. Access to the areas has been restricted to ensure the safety of students, staff, and visitors throughout the refurbishment.

More information

All work is being undertaken in accordance with Work Health and Safety legislation and the NSW Department of Education's guidelines.

The health, safety and wellbeing of our students, staff and the wider community remain our highest priority.

We will continue to keep the school community updated as works progress.

If you have any questions about this work, please contact the NSW Department of Education using the details below. Thank you for your cooperation during this important work.
